Achieving Student Academic Proficiency...ASAP

## ANNUAL PROGRAM USE (SITE) LICENSE FEES FOR PUBLIC SCHOOLS

The Applied Scholastics Achievement Program (ASAP) has a “program use fee” that is determined after an individual consultation with each school on how the implementation of the program will be done in that school as well as how many students the program will be implemented with. In every case Applied Scholastics endeavors to keep the program affordable and workable for each individual school. The fee is calculated on a per student basis after the consultation and analysis of an implementation plan and is provided in proposal form.
